I realize that these times are less than outstanding, but, given the fact that this is my first year in the sport, I am proud of them.

I imagine that everyone on the FTA's mailing list received recently, (and did), an invitation to join the FTS. Help! What's going on? It seems odd that the current president of the FTA is a founder and now president of the FTS. Hopefully the proposed meeting of the FTA will take place at the NPA Grand National in

Downington. Weather permitting, I, too, will attend that meeting. I see from the FTA November 86 Bulletin that you plan to attend that meeting. Perhaps at that time you can fill me in a little on what's going on in official FTA / FTS circles. I want to be sure to align myself with whatever group you feel is acting in the best interest of the flying tippler sport.

Sincerely,  
Robert
